ABOUT MARKINC.org

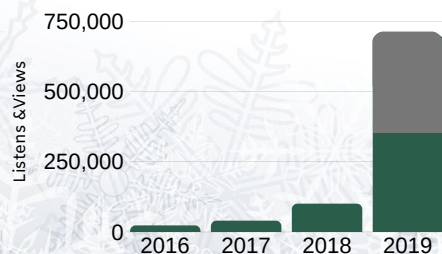

Celebrating our 25th Anniversary!

MARKINC.org is a non-profit that provides help and hope to the hurting and guidance to the one walking alongside the sufferer by sharing stories, lessons, articles, videos, and more for free. Our hope is that we will communicate how to walk by faith in a broken world, encourage a personal relationship with Jesus Christ, and proclaim that God is sovereign and can be trusted even in the broken places of life. Proceeds from this event will help underwrite the production and distribution of these resources, given free of charge, to those who need hope.

Your support of this event goes directly into reaching people, turning their hearts from hopelessness into hopefulness, and having an eternal impact in their life. To learn more and to read, listen, or watch these resources visit MARKINC.org.

OUR REACH

MARKINC.org touches the lives of people around the world. As we continue to develop resource platforms to reach some of the darkest corners of helplessness, our impact continues to grow.

EVENT DETAILS

Ireland's Keith and Kristyn Getty, writers of modern hymns and carols, celebrate Christmas with their eighth annual tour of "Sing! An Irish Christmas". The Gettys are joined by their band of instrumentalists fusing Celtic, bluegrass, Americana, and classical music as well as cultural dance and the choral sounds of the holiday. Keith and Kristyn and their special guest friends perform a program that unites tradition and innovation in celebration of the season.

Please join us for a wonderful Christmas celebration with your family and friends!
