

ABOUT MARKINC

After the fatal car accident of their sixteen-year-old son Mark and his friend, Kelly, Chuck and Sharon Betters wanted to bring beauty from the ashes of their grief. MARKINC (Making Abundant Riches Known in the Name of Christ) became a platform for offering others the same comfort, courage, and purpose they received throughout their grief journey.

MARKINC provides help and hope to the hurting and guidance to the one walking alongside the sufferer by sharing redemptive stories, videos, daily devotionals, online counseling services, and more. Whether in the mundane moments of life or the hard places, our free resources help encourage and equip others to walk by faith in a broken world. Visit our website to learn more:
