

ABOUT MARKINC

MARKINC is a non-profit that provides help and hope to the hurting and guidance to the one walking alongside the sufferer by sharing redemptive stories, videos, daily devotionals, online counseling services and so much more. Our hope is that we will communicate how to walk by faith in a broken world, encourage a personal relationship with Jesus Christ, and proclaim that God is sovereign and can be trusted even in the broken places of life. Proceeds from this event will help underwrite the cost of our new Anchored Hope Biblical Counseling online services.
